In his endorsement Trelka cited shared philosophies in “The representation of citizens, fiscal responsibility, concern of sustainability in programs and the impact on tax payers, as well as policy decisions based on logic and sensibility.”

Steve Simon has been running a campaign rooted in commonsense principles, including support for our first responders: police, fire, and EMT.

“I’m committed to our first responders and getting them the tools & equipment they need for the job. It’s a great honor to get an endorsement from Dan Trelka who has dedicated his life to public service. An endorsement from him shows my dedication to the men and women that protect our community and keep us safe. I’m very thankful for Supervisor Trelka’s endorsement.”
